

Newham classic 10K 2010

Get set for the Newham Classic 10k run and help Olympic hopefuls achieve their dream

GLL is urging all its members to sign up to the Newham Classic 10km run to be held on Sunday, April 18, 2010 at Stratford and help nurture Olympic hopefuls at the same time.

Out to keep the family fit and healthy, the run is also raising money for the GLL Sport Foundation and you can create your own fundraising page to raise fund to support the Foundation in its efforts to offer financial and training grants for up to 800 talented young athletes across 16 boroughs in London and the South of England.

With support from the GLL Sport Foundation athletes can strive to achieve their potential in more than 40 different Olympic, Paralympics, Deaflympic and Special Olympic Sports.

To continue our efforts in inspiring and motivating young people through sport, this year the Foundation is being supported by the exciting Newham Classic 10K run!

Fund raised by you will be donated to the Foundation to help reduce the financial burden facing young athletes in the build up to the 2012 Olympics.

Patron of the Foundation is International athlete and Olympic medal winner, Sally Gunnell OBE says "From my personal experience as a young athlete, I know how essential this kind of support can be to the realisation of sporting ambitions."

With excitement and enthusiasm growing for London Olympics, sign up now for the Newham Classic 10K run and enjoy an opportunity to run through the Olympic park boosting your fitness levels as well as supporting talented hopefuls for 2012.

To join the run and help the next generation of sporting hopefuls simply visit the following link for online registration.
